

It's finally here - Andover RFC Rugby Rangers Tag Rugby Afterschool Club

Rugby Rangers is an inclusive tag rugby programme, held every Wednesday from 3.45–4.45pm, led by volunteers from Andover RFC. Sessions will be overseen by head coaches who hold the England Rugby Coaching Award, ensuring fun, safe, and high-quality coaching.

The name *Rangers* reflects the spirit of adventure, teamwork, and guardianship. Children will be encouraged to try new skills, support each other, and grow in confidence both on and off the pitch. Open to ages 5–11, Rugby Rangers offers a welcoming environment where players can enjoy the game of tag rugby while building resilience, respect, and sportsmanship.

Registration is quick and easy through the QR code provided (please quote **SJB Rangers**). The cost is just £2 per child per week, with all proceeds going directly to St John the Baptist School to fund new sports equipment.

Any questions, please put these through the school office who will forward them on to us.

We are inclusive and proud to be a rugby club for all at the heart of our community. At ARFC, everyone belongs, everyone matters, and everyone has a place
