BBQ Celebration

Hooray for
Hoodies!

Pray together, work together and always do our best

Thank you

Friends of SJB

A huge thank you to the effort and time of our talented Friends of St. John's PTA team for all they have done to support our school and provide opportunities for our pupils. As they are a very modest bunch, we wanted to share with you all they have done and what it has meant to our pupils.

Thank you

film FRIDAY

The school hall has become a cinema with our 'Friday Film'

Last Friday, we watched the film 'Sing' – which most of you might've heard of. We also had a small snack... SURPRISE! It was popcorn! What's a film night without popcorn?

**Our Teachers have worked
hard to bring you
Film Fridays!
Check out the next one
on the 10th June.**

Obviously, at the beginning there was a slight buzz of chatter around the room as the film began to start since it was quite exciting! It's been a while since the last school film.

If I have to be honest, the film was quite good! Although sometimes I couldn't hear since everyone was laughing – Ha!

We also had a nice choice of drinks to. 'In summary, Sing' was amazing! It had a bit of humor and a bit of drama - especially the end – A perfect mix! We can't wait for the next one coming soon! Book your seat now!

Class of 2022

Happy *in the Hood*

These incredible hoodies were kindly organised by the PTA with a special thanks to Pascale (James' mum) who gave her time to get our sizes and colours and send it to Stich and Logo. I was so excited to get my hoodie and I think everyone was.

I chose the colour 'dusty rose' because it's such a pretty colour and I couldn't wait to see everyone's colours because they look amazing.

I think this is such a great idea to do the hoodies because it's a memory for everyone and we will keep them always to remind us of happy times at St. Johns'.

Party Time

On Friday the 13th of May, after our year 6 SATS, we were ready to relax! The Parents Teacher Association (PTA) hoisted an after school party. It was great opportunity for our parents to converse with each other too.

Year 5 and 6 were invited to go back to school for an evening of fun. It included: football, cakes and even a barbecue! It took place from 4pm until 7pm, and was located on the Junior and infant playgrounds. There were many cakes donations, including homemade chocolate-chip cookies (which my mum and I baked), and brownies!

This was certainly a lot of Friday fun!
