Dear Miss Johnson

I am writing to you on behalf of East Kent Hospitals Charity to thank you and Year 4, for your very kind donation of twiddle muffs to our Dementia Appeal.

This letter is very late and I must apologise for this oversight. The fantastic gifts are gratefully received by the Dementia Team at our hospitals and given to the patients to take home with them. This has been even more important during the recent challenges we have been facing, as visitors have not been allowed into the wards and distractions and comfort items are very welcome. We receive many positive comments from the patients and their relatives about how wonderful this service is. Thank you for your contribution!

As you will know the The "Forget-Me-Not" flower is the recognised emblem for dementia friendly communities and hospitals. Many kinds supporters use these flowers to raise awareness of Dementia and are often worn to show support for all those affected by the disease.

Once again many thanks, your support is greatly appreciated.

Yours sincerely
